Sir

I have the honor to forward for the orders of the Chief Commissioner to be duly returned* Letter No. 364 of the 7th instant, with its enclosures from the Commissioner of the Ashtagram Division, submitting proposals for altering the jurisdictions of the Munsiffs' courts in that Division.

2. The origin of the proposed changes is the necessity of dividing the Munsiffs jurisdictions in the Hassan District more conveniently. The Munsiffs in that District held their courts at Alur and Hassan. Alur is a small village only a few miles distant

distant from Kapaw and the location of the Munsiffs Court, there answers no useful purpose.

3. The matter being under discussion, it was thought that the opportunity might be taken to rectify the seemingly anomalous arrangement by which part of the civil work of the Kapaw District is performed by the Munsiff of Mandya, in the Mysore District, and also to relieve the Munsiff of Mysore upon whom an undue share of the work in that District devolves.

4. I think that the proposals now made by the Commissioner in his letter of the 7th January, may be adopted - but I would prefer to see eventually the Court of the 2d Munsiff in the Kapaw District situated at Chennayapatana instead of Kikeri, as the former is more conveniently situated and is the head quarters of a Taluq - a very important consideration in my opinion - it being more convenient for Suitors to have one place for the transaction of all public business - and the Taluq head quarters also being open to the observation of the general public.

I am

5. In regard to the arrangements proposed for the Mysore District it would probably be more acceptable to the Suitors of Seringapatam and Ganjam, to proceed to Mysore instead of Mandya - but there seems no other way of giving a fair share of work to the Mandya Munsiff.

The General Secretary to the

Mysore.

Sir,

I have the honor to report that pending the sanction of the Chief Commr and to save delay, I have sanctioned the removal of the Alur Munsiffs Court to Kapan, as a temporary measure, as the building in which the Court is located, is reported by the Deputy Commissioner of Kapan to be in a dangerous state. Copy of the Assistant Engineer's Memo: on the subject is enclosed.

2. I would suggest also that the question of the jurisdiction of the Munsiffs in Kapan, which forms the subject of my letter No 3496/329 of the 15th January last, might now be

taken up and settled.

3. Now that the jurisdiction of the Deputy Commissioner as a Civil Court is to be abolished, there is not perhaps the same objection to the inclusion of part of the Hapoor District in the Moradya Munsiffs jurisdiction; and therefore the changes of jurisdiction might if the Chief Commissioner so wish, be confined to the Hapoor District - the Munsiffs Courts being fixed at Nursipur and Hapoor with jurisdiction as proposed in the Settlement Commissioner's letter No. 158 dated 30th August 1878, which with its enclosures, is herewith forwarded in original, to be kindly returned.

Inspection Memo on the Munsiff's court at Alúr

---

1. Inspected the Munsiff's Court at Alúr.

2. Of the four rooms occupied by the court, the one for the undertrial prisoners is worse than useless. The second occupied by the Munshies, has all the joists of the roof sagged much, and the masonry is throughly saturated. It is in a very dangerous condition. The third, containing the Treasury, is in a less dangerous state, but still not fit for occupation. The fourth, where the Munsiff holds his court, is in fair order The roof leaks but it can be put in order at a moderate cost. I would recommend the vacation of the building at once.

3. To put the building into thorough order would cost much. It is very desirable this out lay should be saved, — especially as I am given to understand that the Judicial Commissioner has decided upon the removal of the court from Alúr. The sooner it is done the better.

of Attucoopa, Nagamangalam, Mundagam, & Mulvalli, comprised in the jurisdiction. If the additional Ashlagram should make the cart work in itself heavy, then the Munsif may be relieved of the magisterial work which may be done by the additional asst. Commr. provided for the Mysore Dist.

Sir,

I have the honor to recommend that the Town of Goobbe and the 13 villages named in the accompanying Extract from letter No. 270 dated 9th July from the Deputy Commissioner of Tumkur belonging to the Hobli of Goobbe may be transferred to the Jurisdiction of the Munsiff of Tumkur.

2. The matter was first started by a petition presented to me by the inhabitants of Goobbe when I passed through the place in January last

They represented to me the inconve-
nience they experienced in having
to travel 33 miles to the sut of the
way village of Tsuruvekeré for the
purpose of filing their suits in
the Munsiff's Court there while Tum-
kur is only 12 miles distant.

3. The change of Jurisdiction
now suggested is recommended by
both the Deputy Commissioner and
the District Judge, and I have no
doubt it will prove a convenience
to the inhabitants of the important
town of Goobbe.

of the villages proposed to be trans-

To

The Secretary to the
Chief Commissioner
of Mysore
General Department

Sir

With reference to your No. 3795/57 of the 4th August last, I have the
+ to be returned. honor to forward in original letter
No. 290 of the 11th instant with its en-
closure from the District Judge
Astagram Division submitting
proposals regarding the changes in
the jurisdiction of the Munsiffs
Courts in the Mysore District.

2. The proposals of the District
Judge meet with my approval, ex-
cept that I would prefer to see the
present

present Mandya Munsiffs Court stationed at Seringapatam or Ganjam rather than French Rocks. The latter place has, I believe, no importance in itself, and the mere presence of a portion of a Regiment there, does not effect the question as to the location of a Civil Court. Moreover I imagine it not impossible that the Regiment may be removed. Seringapatam will probably always remain a place of importance while the French Rocks will be off the line of Railway, and will probably diminish in importance. The fact that there are empty Bungalows, one of which might serve as a Court house should only be taken into consideration if other things were equal. Seringapatam is more conveniently situated for all the parts of the proposed jurisdiction, (except Nagamangala) than French Rocks, and the number of suits from Nagamangala is very small.

I have the honor to be
Sir

No. 290. District and Sessions Judge's Court
Mysore, dated 11th December 1879.

To

The Judicial Commissioner
Bangalore.

Sir,

I have the honor to acknowledge the receipt of your letter No. 1748/164 dated 9th August 1879, giving cover to the Chief Commissioner's Proceedings No. 3795/51 dated 4th Idem, fixing the territorial jurisdiction of the Munsiffs of the Hassan District, and enquiring what changes I would propose as regards the jurisdiction of the Munsiffs of the Mysore District.—

In order to afford relief to the Munsiff of the Nanjengode Sub Division, whose file has always been a good deal heavier than those of the other Munsiffs, the Chief Commissioner suggests that the Talkad Taluk should be transferred from the jurisdiction of the Nanjengode Munsiff to that of the Munsiff of Mysore and the Heltagram Taluk from Mysore to Maudya. The proposed transfer will no doubt considerably reduce the file of the Nanjengud Munsiff, and in other respects the arrangement is a convenient one.

The transfer of the Heltagram Taluk to the Maudya Sub Division will necessitate a change of the Head Quarters of the Sub Division, and the Deputy Commissioner, Mysore, whom was consulted on the subject, considers that the French Rocks is better suited for the Head Quarters of the Munsiff than Seringapatam, and observes that there are many

many vacant bungalows available, one of which might be rented as a Courthouse. I was myself in favor of Seringapatam as you had attached some importance to Munsiff's Court being located at Taluk Head Quarters, and as I believed that officials and suitors would prefer it, but I understand that on the whole the French Rocks, on account of its superior healthiness, would be preferred, and it is rather more convenient as regards the Nagamangalam Taluk.

If these suggestions were carried into effect, the state of the file of the different Munsiffs as they at present stand, and as they would be under the proposed arrangement is shewn in the accompanying statement. The work of the Mundya Munsiff will be increased, and to reduce it, I would propose that the portion of the Attikuppa Taluk, which is now included in the Mundya Munsiff's jurisdiction, be transferred to the Nursipur Sub Division.

You have already objected to splitting up Taluks, and the inconvenient arrangement under which different portions of Attikuppa are attached to two Courts was originally made as Mundya was much nearer to Attikuppa than Hassan, but since Nursipur has become the Head Quarters of the Munsiff's Sub Division, there is no longer any necessity to continue the arrangement then made.

The Hobli of Attikuppa alluded to are no doubt very near the French Rocks, but Nursipur is within easy reach and the advantages of keeping the Taluk intact and of equalizing the work of the Courts are not to be lost sight of.

J

I delayed answering this reference, as I intended to submit my reply after ascertaining from the Deputy Commissioners, their opinions with regard to certain proposals for the re-distribution of Talukas and District (vide Chief Commissioner's Proceedings No. 1649 - 63, Rev 304 dated 31st July 1879 and your letter No. 1743/47 of 7th August 1879) but I have since ceased to exercise Revenue powers and having had no intimation of further changes, consider it advisable to reply to your letter without further delay.

I have, &c.,

Letter from the Deputy Commissioner of the Hassan District No. 1092 of the 11th December 1879—

Order thereon No. 5257-9 / C. 898 Dated 9th January 1880-

In the above letter, the Deputy Commissioner of Hassan proposes to locate the General Assistant Commissioner allowed to his District at Kikkeri, unless the Moonsiffs Court at Nardipur could be transferred to that Station for the convenience of the people. This would in effect be to establish a Sub Division, which is not feasible in Districts to which only one General Assistant Commissioner is allowed and is not considered desirable generally. As it is desirable however that the duties assigned to the Assistant Commissioners should be properly defined, the Deputy Commissioners of the several Districts are requested

to report what duties are assigned by them to their Treasury and General Assistants.

The Judicial Commissioner will be requested to take into consideration the expediency of transferring the Narsipur Moonsiff's Court to Nikkeri or what may be still more convenient to Chenraipatam, with Civil and Criminal jurisdiction over the Taluks of Attiyuppa, Chenraipatam, Nagamangala and Arsikally, whilst the Moonsiff at Hassan may exercise Civil Jurisdiction only in the Taluks of Hassan, Munjarabad, Arkalgode, Narsipur and Belur.

ABSTRACT.

States that hitherto they had the convenience to file their Suits in the Moonsiffs Court at Nandya which was near to their villages. The transfer of the Moonsiffs Court to Seringapatam which is nearer to their villages, instead of affording them greater conveniences has caused much inconvenience because they have that their hobli is included in the Hole Narsipur Taluk; to go to Narsipur, they have to cross 2 rivers which are very difficult of fording when full.
